2016 Summer Camp Program – Sponsorship Opportunity

For the last eight years, the Wilmington Junior Golf Academy has taken golf to the young people of the Wilmington area. We operate in over 13 elementary schools in New Hanover and Pender counties, and reach out to over 2,000 children every year. And we do it with **absolutely no charge to any child**. Each year, we have offered a series of week long Summer Golf Camps to the young golfers in the Wilmington area. We need your help to see it through this year.

Most of the young golfers in the Wilmington area cannot afford the hundreds of dollars necessary to participate in current local summer youth golf events. Each event has entry fees and other associated costs that the average player cannot afford. The Wilmington Junior Golf Academy Summer Camp Program is designed to provide the young people of Wilmington and the surrounding area the opportunity to learn the game of golf and compete with each other in a “tournament” at the end of the week. This year, we plan to have 3 separate weeklong camps throughout the summer.

WJGA Summer Golf Camps

June 13th – 17th

Golf Camp @ Belvedere Country Club

June 27th – July 1st

Golf Camp @ Wilmington Municipal GC

July 11th – 15th

Golf Camp @ Wilmington Municipal GC

Any child between the ages of 9 and 18 may participate in the Summer Camps. No entry fees or green fees for the attendees will be required. Additionally, each player at each event will receive snacks and drinks, as well as a WJGA bag tag, and other gifts, to be determined later. Each camp will be a full and rewarding week for each participant.

Here’s where we need your help. We are **seeking 3 sponsors**, one for each event, to cover the costs of running each camp. **Only 1 sponsorship opportunity will be provided for each camp.** The cost of the **sponsorship is \$1,000.00 per event** providing the sponsor with exclusive advertisement opportunity for that particular camp and “tournament”.

We want to provide every young golfer in our area with the chance to learn from the game of golf, and compete in a tournament situation; with your help we can achieve that goal. The WJGA has spent the last 8 years developing a quality golfing atmosphere for the young people in the Wilmington area, and with your help, we can again make the **WJGA Summer Camp Program** a huge success.

Thank you for your interest and support.

Sincerely,

Jake Hunt
